March for Matt Brown

On January 23, 2010, 15-year-old Norwood hockey player, Matt Brown #3, sustained a spinal cord injury at the C4-C5 vertebra during the Norwood vs. Weymouth High hockey game. To raise money and show Matt that Walpole is with him "every step of the way", student's and staff walked the track after school on Tuesday April 6, 2010. He is currently working towards rehabilitation at the Shepherd Center in Atlanta. We wish him well in his continued progress.
